HIGH PERFORMANCE HEALING

Profile

Robert Hunter, M.D. comes to Salida from the University of Arizona in Tucson, where he served as Director of Sports Medicine for the Department of Orthopaedic Surgery and Director of the Arizona Institute for Sports Medicine. Prior to his time in Tucson, he spent 14 years with an orthopedic group in Aspen. He is the Founding Director of the Aspen Foundation for Sports Medicine, Education and Research Fellowship Program.

He served on the Board of Fellows of Professional Team Physicians and was Medical consultant to the Athletic Departments at the University of Arizona, Tucson and Pima County Community College, Tucson. Dr. Hunter has published more than 40 articles in refereed journals on sports medicine topics. He has authored 13 chapters in sports medicine related texts. He serves on the editorial board of several orthopedic medical journals.

Mission Statement

Salida and the Upper Arkansas River Basin offer a quality of life that attracts a population whose interests reflect the spectrum of activities available in our region. The Orthopedic Sports Medicine Center strives to serve this highly athletic population by offering the highest standard of orthopedic sports medicine, and providing a comprehensive sports medicine program in collaboration with state of the art facilities and dedicated, specialty trained physicians and allied health care providers. Through effective collaboration between sports medicine physicians and Heart of the Rockies Regional Medical Center and clinical facilities, the Orthopedic Sports Medicine Center strives to become a regionally and nationally recognized site of sports medicine expertise.
